ROUTE 66 - 4345 As one the longest roads in America, so is this pattern the series. At 45 feet in length, and as with most long oil patterns, the optin line is usually one that is closer to the pocket or more towards the inside portion of the lane. The greatest slope of conditioner on the ROUTE 66 is f the 11th board to the 16th board so players should target along this route. Outside of that slope, the pattern is flat so there will be very little room for error. ♪ If you get hin to this tin. take that bowling center trip to get your kic on ROUTE 66! ♪
